

Printed Canvas Squares & Rectangles

Express yourself! Powerful expression of art with the performance of acoustical sound control that allows hospitality and commercial applications to express their brand and personality. We offer our own trademarked designs for digital creativity that can be applied across one panel or arrayed across many panels. We also work with any designer to apply their own designs to our acoustical solutions.

Features

- Bring your own digital art - built for Squares and Rectangles. These can be surface-mounted or suspended from the ceiling.
- Using the highest quality core consisting of a 6-7 lb. density rigid fiberglass board layered with a 1/8" high density 16 PCF fiberglass sheet for added strength.
- We use dye sublimation printable fabric that holds acoustic value. 100% polyester and has waterproof treatment for multi-location applications.
- Edges and corners are meticulously tailored for a beautifully finished product.
- See our spec sheet for details on image pixel count by panel size.
